The plan is to start off Friday morning with AGD At about 7:30 a.m., and then start OP on the other course about ½ hr. or so after AGD starts. There will be a break when OP finishes while the field is planted for OD. Hopefully all will be finished up by about 1:00 p.m.

On Saturday, we plan to start OGD about 7:30, and ALWGD at about 8:30 on the other course. We hope to get a lunch break on the OGD course after brace 8 and do the last 2 after.

OF COURSE WE ALL KNOW THIS COULD CHANGE DUE TO WEATHER OR WHATEVER!!
